Fax: 740-592-4616

DRIVEWAY CULVERT/ ACCESS PERMIT FOR COUNTY ROADS

PROCEDURE FOR "ACCESS / CULVERT PERMIT" FOR ACCESS DRIVES TO COUNTY ROADS

- (1) The applicant shall set stake with red ribbon flagging the proposed access point and complete Section 1 - Applicant Information.
- (2) After initial inspection of proposed access location, a copy of this form will be returned to the applicant with "Section 2 - Culvert Requirements" completed.
- (3) When the culvert is installed by the applicant, a final inspection is required. The applicant shall contact the ACEO Office for final inspection.

Purchase of the culvert is the responsibility of the applicant; however, the culvert site should be inspected before purchase of the culvert to verify culvert type and size suitable for the location. Culverts will be a minimum of 12" polyethylene "N12" plastic pipe with at least 1 foot of cover material. When the culvert is installed by the applicant, a final inspection is required.
