LEGAL NOTICE

The **ATHENS COUNTY ENGINEER** intends to contract for **CONSTRUCTION ENGINEERING/INSPECTION SERVICES** in connection with the 2020 Ohio Emergency Management Agency (OEMA) disasters. Engineering Firms interested in being considered for a contract to provide the required services should reply with a statement of qualifications no later than 2:00 pm on Monday, September 12th, 2022. Statements received after this deadline will not be considered.

Statements of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; the firm's experience in performing soil borings, geotechnical engineering, and engineering design; availability of staff; the firm's equipment and facilities; references; and any previous work performed for The **ATHENS COUNTY ENGINEER.**

Statements of qualifications should be transmitted to: Jeff Maiden, PE, PS, Athens County Engineer
16000 Canaanville Road, Athens, Ohio 45701

As required by Ohio Revised Code §153.65-73, responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, the **ATHENS COUNTY ENGINEER** will enter into contract negotiations with the most highly qualified firm.

The preliminary project description is as follows:

Name of Project: County Projects related to 2020 OEMA Disasters

Location: Various Athens County Roads

Description: Major and Minor Landslide Repair Projects
